## Experience

---

**June 2025-Present**

**IT consultant**, Directorate of Digitalisation (Digdir), Leikanger  
Participates in a summer camp, where the project involves supporting the Service Desk at Digdir by developing AI-powered tools to analyze and structure historical customer inquiries. Focusing on applying large language models to improve case handling efficiency and using technologies such as Python, OpenAI API, Docker, and GitHub.

**August 2022-June 2025**

**Call substitute**, Kiwi Kirkeby/Strandgata  
On-call substitute, mainly in Kiwi Kirkeby in Gjøvik, alongside my studies.

**October 2022-March 2025**

**Volunteer (head of admissions)**, Studentenes Hus Gjøvik (Huset)  
I started volunteering in October 2022 and was appointed entrance manager on 30 January 2024. My responsibilities have included maintaining the entrance area, designing routines, and training volunteers.

**June 2024-August 2024**

**IT consultant**, Directorate of Digitalisation (Digdir), Leikanger  
Explored the EU wallet and decentralized ID during a summer camp. Developed a prototype using Java, Spring Boot, JavaScript, and GitHub.

**August 2020-August 2022**

**Part-time employee**, Kiwi Gomsrud  
Part-time Store Assistant at Kiwi Gomsrud in Kongsberg.

## Education

---

**August 2022-Present**

**NTNU in Gjøvik**  
Computer engineering student with experience in programming, system development, and teamwork.

**August 2021-May 2022**

**Stord Folk High School**  
Focus on outdoor life, personal development, and healthy living.

**August 2018-June 2021**

**Kongsberg Secondary School**  
General university admissions diploma with a focus on natural sciences.
